NOTE: If you'd like to reply please send me a PM because if you reply on the actual thread...well lets just say it wouldn't work too well! Thank you!

Summary: The Bladebreakers reunite and you are Tyson and Kenny's best friend - they all come back to Tyson's hometown to prepare for The World Championships.

But when a mysterious team shows up, it's not all fun and games.

What happens when they place a curse on you that may effect The Bladebreakers as well?

Are they just there to break The Bladebreakers up or is there a deeper purpose to their coming?

Then, there's the real question: Will you ever be human, again?

Genre: Romance/Action/Adventure

NOTE: You may choose from any of The Bladebreakers team (including Kenny - why would I leave my favorite character out?)

\*\*\*\*\*Okay here's the story - I just figured out that you post the actual story here - not as an attachment \*Hits head on wall\* - baka, baka, baka - okay I'm done now!

NOTE: CHAPTERS DO GET LONGER!

Disclaimer: I DO NOT OWN BEYBLADE V-FORCE!

Chapter 1: Your choice

Argh, you thought as you trudged to school. Nothing was going right! Your alarm clock hadn't gone off (it never did) and you had gotten up late that morning (as always). On top of that, you hadn't finished your homework for first period. Then you had tripped over your cat on the way out the door.

You were walking along, figuring that if you were going to be late for school (as usual), you might as well take your time. When you suddenly heard somebody running up behind you, you stop and turn around just in time to have a meeting with the ground.

&#8220;HEY!&#8221; You shout.

&#8220;Heh, heh, sorry &#8216;bout that. I gotta go, I&#8217;m laaaaate!&#8221; A kid you knew as Tyson Granger said. As he got off the ground and started to sprint again.

You jump up off the ground and start to run after him. &#8220;Hey, Tyson!&#8221; You yell at him.

Finally he stops, &#8220;What?&#8221;

&#8220;If you&#8217;re going to be late, why not just take your time?&#8221; You ask him.

&#8220;Because Hilary will make me clean more than just the classroom. And I got a beyblade tournament to get to after school today!&#8221; Tyson said as he started running again.

&#8220;Oh yah, I forgot about that! I&#8217;m gonna go watch!&#8221; You say as it hit you. &#8220;SHOOT! I forgot my beyblade!&#8221; You yell as you run to catch up to him, &#8220;I knew I was forgetting something! I&#8217;m s&#8217;posed to battle Alex today!&#8221;

&#8220;Why don&#8217;t you just run home and get it at lunch?&#8221; Tyson asked you.

&#8220;Because my house is a half hours walk from school. That&#8217;s why I&#8217;m late, because my alarm didn&#8217;t go off!&#8221; You explain. You are now at the school; you and Tyson shove open the doors and run inside, and sprint up 5 flights of stairs. Then burst into your classroom.

A girl at the front of the class stood up and said, &#8220;Tyson, you&#8217;re late, again. So are you, (your first name).&#8221;

Tyson groaned, &#8220;Hilary.&#8221;

&#8220;Oh stuff it, Hilary!&#8221; You told her, you were really sick of her complaining. Hilary was the teacher&#8217;s pet and hated Tyson not to mention you. &#8220;I bet you wouldn&#8217;t care if Jessica walked in now and was late! I&#8217;m sick of your complaining! We were a couple minutes late, it&#8217;s not going to make a difference and I believe you were the one interrupting the class, this time!&#8221;

&#8220;I do not complain, and you should be in your desk by the second bell! Those are the school rules I believe. I&#8217;m class president and I sentence you both to cleaning this classroom after school. Now sit down and let Miss Cancane go on with the lesson.&#8221; Hilary told you.

&#8220;Yes oh mighty Queen Hilary!&#8221; You say sarcastically while bowing at the waist. Hilary&#8217;s fist clenched as she sat down.

You went and took your seat beside Kenny, and Tyson took his on the other side of Kenny. &#8220;Hey Chief,&#8221; You whisper to Kenny.

&#8220;Where were you guys?&#8221; He whispered back to you and Tyson.

&#8220;My alarm clock didn&#8217;t go off.&#8221; You say.

&#8220;I slept in.&#8221; Tyson didn&#8217;t bother to think up an excuse.

&#8220;You ought to get that thing fixed (your first name), and Tyson you should get an alarm clock!&#8221; Kenny whispered to you and Tyson.

&#8220;(your first name), do you know the answer?&#8221; Miss Cancane asked you.

&#8220;Um&#8230;it&#8217;s&#8230;&#8221; Kenny slipped you a sheet of lined paper with a number written on it. &#8220;The answer is 20.&#8221; You say confidently and then in a whisper say, &#8220;Thanks Chief, I owe you big time!&#8221;

Kenny just blushes, &#8220;No problem.&#8221;  
&\*&\*&\*

&#8220;Oh finally, school&#8217;s over!&#8221; Tyson walks out of the classroom sighing in relief.

&#8220;Not so fast mister!&#8221; You hear Hilary, &#8220;You&#8217;ve got to clean the classroom.&#8221; She says smiling sweetly handing him a broom.

&#8220;But Hilary&#8230;&#8221; Tyson groans as Kenny darts out of the classroom.

You look over at them and think&#8230;.

Should I stay and help him get out of here to the tournament? Yeah it would be mean not to, after all the times he&#8217;s helped me -Chapter 3

I gotta get my beyblade to battle Alex! When I get back I&#8217;ll see if I can&#8217;t bust him out!-Chapter 2
