::blinks at Crimson Angel:: the ONLY person you don't like in Weiss is Michiru (aka, that chick from the first ep)?

For some reason, I find myself not liking Sakura (even though I RP her... it's only so Aya-chan can bitch-slap her ::eg::), Ken's little chick from, like, ep 5 (the hoey biker babe as a friend calls her.. what was her name...? Oh, yeah, Yuriko!), and that ex-model chick from Schreient.

And it took me FOREVER to finally be able to watch Ouka with the sound on on my TV... like, episode 12. ::grins::

I'm just going to list them and their series, it's easier for my brain so I can go in random order.

^_^;;;

I like:

Misty - Pokemon

Brock - Pokemon

Duo!! DUO! DUOOOO! AND IF YOU DON'T KNOW WHAT SERIES THEN GO TO HECK! :angel:

Merle - Escaflowne

Eries - Escaflowne

thinks hard What other series have I heard about >.<;;;

Oh oh!

Darian - Sailor Moon (Just 'cause he's a sexy bitch. ;))

Sailor Mercury - Because she's the only one who ever makes sense all the time, consistently.

And uhm I'll pretty much tolerate/not mind alot of charecters but these are the only ones I actually "like"

I dislike most villans. Because most are whiny or like vauge. It's like they say "DO that "THING" I told you about to those people." or "WAAAH! IT FAILED! I TOLD YOU BUMBLING POO HEADS WHAT TO DO AND YOU MESSED IT ALL UP! WAH WAH WAH! I'M A WHINY VILLAN BITCH!"
-_-;; OYY!

It includes them, but isn't always limited to them. I'm sick of all these annoying, ditzy anime girls (Miaka), all the quiet, submissive pushovers(Melfina), and all of the unreasonably PMSsy(Naru) women in anime. Although, PMSsy girls aren't as bad as the other two (at least they have some substance), they can still get on my nerves.

And PMS isn't the same as being a bitch. Bitchy femmes are actually interesting to watch.

Haven't seen many anime, and it usually takes a lot for me to dislike a character, but here goes:

Escaflowne

Likes: Hitomi, Dilandau :love: , Folken, Van, Allen, Millerna, Eries, Dragonslayers, Moleman, Prince Chid, Duke Freide, Gaddes, Merle,etc.

Dislikes: I don't really hate any of the Esca characters. This was the first anime that I fell in love with, so it's hard for me to hate any part of it. The pink haired guy with the snake comes close, though.

Outlaw Star

Likes: Gene, Jim, Melfina, Hilda, McDougall bros., Aisha, Suzuka, the talking cactus, Fred, that stupid red haired assassin who kept running into things at the hot springs

Dislikes: Hanzanko, Gwen Khan(didn't spell that right, did I), the warden from that weird prison planet.

Inuyasha

Likes: Miroku, Sesshoumaru, Rin, Shippou, Kikyou, Kagura, Kouga, Kaede, Nobunaga and his monkey, Souta Higurashi, Kagome's grandfather, Jakotsu, Jaken(because someone has to)

Dislikes: that disgusting crow demon that possesses corpses. Ew.

Mugen no Jyuunin (I don't think this is an anime yet, but it's a kick ass manga)

Likes: Manji, Rin, Maki, Magatsu, Master Sori, Renzo, Hyakurin, Giichi, Shinrigi

Dislikes: Shira, Araya

I'll give my two cents, then :d And what needlessly long two-cents have I...

Gundam Wing:

Like: um... just about everyone :sdrop: Quatre and Trowa especially (and especially Quatre and Trowa together ;)

Dislike: Relena (I respect her and all that... but I dun like her. She's cool right after her father's death and she's out for blood, but then... *geh!*), Dorothy (manipulative bitch... although I do feel kinda bad for her when Trowa digs into her), Treize (the way he thinks is headache-inducing), Quinze (*shudders*), Noin (cool until she gets around Zechs... then she melts. That bothers me), Dr. J (the way he thinks just pisses me off)

Fushigi Yuugi:

Like: Nuriko (very likely one of my fave characters in all anime!), Chichiri, Hotohori (I feel so bad for him, losing to Tama *hugs*), Tasuki

Dislike: Nakago, Tai Yi-Jun (apparently she's Tai Istukun in the anime? And Lai Lai is Nyan Nyan... I'm going to be so confused when I finally watch it...)

Character she wishes didn't die: Amiboshi. :cry: I miss him.

Random tidbit: Am I the only person who'd like to see Nuriko get Hotohori? I know I haven't finished the series yet (damn Viz for not publishing it all!), so I don't really know what I'm talking about, but still...

Ceres:

Like: Aki, Yuuhi, Mrs. Q

Dislike: Kagami *beats him with a paper fan for being icky*

Akira:

Like: Tetsuo (gotta love the psionic psychopath), Kaneda

Dislike: the scientist guy. He deserved to die, the moron.

Princess Mononoke:

Like: again, just about everyone. When all is said and done, there are no real villains, just different perspectives on the same world.

Dislike: the greedy monk. For the life of me, I can't remember his name :blush:

Digimon (02):

Like: Ken, Yamato, Daisuke, Taichi, Hikari, Takeru (esp. when he's all pissed off and stuff... the scene where he and Ken beat each other is CLASSIC!!)

Dislike: Miyako, Iori (I agree with razorknight concerning those too... they're a waste of airtime), Mimi (she bugs me)

DBZ:

Like: Vegeta (probably the DBZ character w/the most depth), 18 (local bitch and lovin' it!), Mirai Trunks, not-so-mirai Trunks, Goten

Dislike: Mr. Satan (for reasons that are fairly obvious), Yamcha, Chichi (she needs a chill-pill)

Misc:

Like: brooding, angsty characters. The more they hate themselves, the better. :d

Dislike: I'm more liable to dislike female anime leads (the only exception that comes to mind is Miaka), characters who manipulate to get their way, and whining. There's a fine line between angsty and whining...

I actually prefer Altena over Chloe. Chloe seemed too arrogant and schizo for me. She had some

serious mood shifts depending on whether she was with Altena or anybody else and that sort of freaked me out. Altena has a twisted agenda and she's manipulative to put her plans in action, but she had her reasons, and I could see how she got them.

Goku - cause Kami knows I can't stand his ass but sometimes he can be cute.

Gohan - same goes for him. First he's a little punk boy who doesn't wanna fight, then he gets cool in the Cell Saga, then he becomes a cheer leader in the Buu Saga, and now a teacher in GT.
Yamcha - he really gets on my nerves sometimes and he knows BULMA BELONGS TO VEGETA but he's kinda cute.

Dislike:

Frieza - he's annoying, probably raped Vegeta a few times, and doesn't even have a...well, you know.

Homura - pretty sexy but...he has no taste; he wants Goku!

Michael Jackson dude - you know the dude from one of the movies with the red hair and stuff?

Yeah, that dude. He's alright but needs to get his priorities straight.

For the most part, I can stand almost any type of character. But then there are those few that...there is no explanation for. You'd just have to see them in action. And one of those people happen to be in a large group known as Betterman. I can't stand any of the people from that show. Especially Sakura! Meow.

Ayane from Gatekeepers 21 gets slightly annoying. She can't help her voice, but gosh. After a while, it wasn't so bad, but that took a while.

Meow. That's all I can think of right now. Meow. I'll probably post some more later.

Oh right...uh...people I like too...meow. Katsumi from Silent Moebius sticks out. I like Ai from Zaion, but the CG isn't very good in that. Toka Miyashita from Boogiepop. Ororon from Ororon: the Demon. Meow. There's a lot. ::Laughs::
